

## Maintenance of Supplies and Equipment

### Army Materiel Maintenance Policy

---

By order of the Secretary of the Army:

PETER J. SCHOOMAKER  
*General, United States Army*  
*Chief of Staff*

Official:

JOEL B. HUDSON  
*Administrative Assistant to the*  
*Secretary of the Army*

**History.** This publication is a major revision.

**Summary.** This regulation is a consolidation of two publications that covered Army materiel maintenance and depot activities, AR 750-1 and AR 750-2. This regulation covers Department of the Army policy for general maintenance operations, commodity-oriented maintenance operations, maintenance management systems, inter-Service and contract maintenance

support, wholesale maintenance, maintenance support during acquisition, maintenance programs, and depot maintenance.

**Applicability.** This regulation applies to the Active Army, the Army National Guard of the United States/Army National Guard, and the U.S. Army Reserve. This regulation is applicable during full mobilization.

**Proponent and exception authority.** The proponent of this regulation is the Deputy Chief of Staff, G-4. The Deputy Chief of Staff, G-4 has the authority to approve exceptions to this regulation that are consistent with controlling law and regulation. The Deputy Chief of Staff, G-4 may delegate this approval authority, in writing, to a division chief within the proponent agency in the grade of colonel or the civilian equivalent.

**Army management control process.** This regulation contains management control provisions in accordance with AR 11-2 and identifies key management controls that must be evaluated (see app G).

**Supplementation.** Supplementation of this regulation and establishment of command and local forms are prohibited without prior approval from the Deputy Chief

of Staff, G-4, ATTN: DALO-SMM, 500 Army Pentagon, Washington, DC 20310-0500.

**Suggested improvements.** Users are invited to send in comments and suggested improvements to this regulation. Internet users can submit their comments and suggested improvements through the electronic DA Form 2028 (Recommended Changes to Publications and Blank Forms) found within the individual Deputy Chief of Staff, G-4 regulation and pamphlet. Anyone without Internet access should submit their comments and suggested improvements on a DA Form 2028 directly to Deputy Chief of Staff, G-4, ATTN: DALO-SMM, 500 Army Pentagon, Washington, DC 20310-0500.

**Distribution.** This publication is available in electronic media only and is intended for command levels A, B, C, D, and E for the Active Army, the Army National Guard of the United States/Army National Guard, and the U.S. Army Reserve.
